

The Dwelling of God

Ephesians 2:19-22

Dave Gossett November 15, 2015

Paul first mentions the church in Ephesians 1:22-23 where the metaphor “His body” is used. The imagery is continued in 2:15-16 where the terms “one man” and “one body” are used. In 2:19-22, the image of a building, a holy temple is used to help the reader understand the church.
