

## *Eyes that Look to the Lord Our God*

Psalms 123\*

---

In the psalms of ascent (120-134) Psalm 123 is a psalm of lament from a people who are in distress. In this psalm we observe the posture of service, even in times of despair, in the life of a Christ-follower. As believers in Christ we must learn to endure contempt and scorn from the children of the world

When we find ourselves among the slandered, ridiculed, and persecuted, where do we turn for help? The psalm gives three answers to that question.

*Look in faith to God's protection (1)*

*Look in faith to God's power (2)*

*Rely on God's provision (3-4)*
