

MINISTRY UPDATE: CHILD EVANGELISM FELLOWSHIP

Dear Friends,

Join us as we praise God for how He moved through our ministry this summer. The Story Barn ministry achieved remarkable success throughout the summer as our trained volunteers shared the Gospel. Your prayers and financial backing enabled us to establish the Story Barn in **21** events across the North Central area, where the Gospel message was presented to **1,884** children, with **190** making a decision for Christ! The lives of these children will never be the same.

Join us!

So that you too can enjoy the fun. Here are some of the areas where we can use extra help. Prayer warriors, setup crew towing the barn, and story tellers. The setup crew are often the people towing the barn or manning the booth.

Christian Youth in Action summer training was held in June of this year, with 3 students from our community attending. 75 teens across Washington state volunteered their summer to teach 5 Day Club's and reach children with the Gospel.

Preschool Jr. Church Volunteers Needed

We're looking for a few helping hands to serve in our Preschool Jr. Church class! If you can commit to teaching one Sunday per month, we'd love to have you join the team. If you're interested or would like more information, please contact the church office.

Donations for Missionary family staying locally:

The brother of Michelle Stucky, along with his wife and their four children who serve in Papua New Guinea, will be arriving on December 17th and renting a home here for one year. As they settle in, they are in need of various household furnishings. If you'd like to help, please contact Michelle Stucky or the church office to arrange donations.
