

Ministry Highlight: Operations

The Operations Team serves an important behind-the-scenes role in caring for our church campus and helping support the many ministries and events that take place throughout the year. From facility maintenance and small repairs to grounds care, seasonal projects, event setup, cleaning, organization, and problem solving, this team helps ensure that our church remains a welcoming, safe, and functional space for worship, fellowship, and ministry.

Whether it's setting up tables and chairs for an event, helping maintain equipment, improving the appearance of the property, or assisting with practical needs around campus, there are many ways to serve. Some projects require specific skills, but many simply require willing hands and a servant's heart.

If you enjoy working on practical tasks, serving behind the scenes, or using your time and abilities to bless the church in tangible ways, we would love to have you join the Operations Team.

For more information or to get involved, please contact Jeff Simmons or the church office.

Copies of the current financial statement and recent Elder Meeting minutes can be found at the Welcome Desk or by contacting the office.
